3	Stop. Look. Shhhh. It's a wasp. A buzzy fuzzy wasp. With fast beating wings and a tail with a sting, Let's catch it and take a look.	Graphic 3.0
	Slowly does it here we go into the catcher away you go. It's black and yellow and certainly not mellow, There's no way I want to catch you.	Graphic 3.1 PTC
	Oh no, oh no, oh no here we go, It circles around with a buzz and a frown, Go away waspy please.	Graphic 3.2
	Oh no, oh no, oh no here we go, It circles around with a buzz and a frown, Go away waspy please.	PTC
	It flies though the sky and then dives for my eye, And I leap and I bounce and the flowers I trounce. Go away shoo, it's the least you can do... You're already in my book.	Graphic 3.3
	I run, I hide and end up inside, The wasp's in a flap as it finds a small gap, It's still coming through, what can we do? So I catch it in my trap...	Graphic 3.4
	It buzzes, it shouts, it's angry and yelps. So I calm it down, waspy lies on the ground, And now I show it my favourite book.	Graphic 3.5
	Mr Wasp, Mr Wasp just sit and relax, While I show you the features of all of my creatures...	PTC

	<p>Then I show it my drawings and the things I love most, A snail in a jetpack, a fly eating toast. Then the very last page is the best of the best, And it's waspy who's there donning goggles and vest.</p>	<p>Graphic 3.6</p>
	<p>And now waspy is settled and now he is calm... I release him, my friend, and he sits on my palm.</p> <p>I love you waspy.</p> <p>Thank you for Watching Tom's Storytime.
