2	<p>Oh hello. I didn't see you there.</p> <p>How are you today? Don't answer that.</p> <p>OK, are you ready for a jungle adventure?</p> <p>I can't hear you. I said are you ready for a jungle adventure?</p> <p>Well in that case....let's go.</p>	
	<p>Right check your shoulders. Has everyone got their backpacks on? First thing we need to do is turn them around and rummage in. Go on. Rummage rummage rummage.</p> <p>Look it's our helmets. Put them on. Make sure you've fastened the clip.</p> <p>Give it a knock. All working. Good.</p>	
	<p>Right. Next we need to get our planes working. Start the engines....</p> <p>Oh we forgot to set the propeller rolling. Quick push it down.</p> <p>Quick get back in. And there we go. Off through the sky.</p>	

	<p>Fly with me around the sky it's so much fun when you get so high.</p> <p>Oh watch the birds.</p> <p>Oh no. One got into the engine.</p> <p>We're going down. Quick emergency landing procedure. Eject eject. Arms out. Let the parachute do its work.</p>	
	<p>Oh no. It's not working. Pull pull pull. Harder.</p>	
	<p>Good it's working.</p> <p>Oh no. We're heading for the jungle.</p> <p>Brace for impact.</p>	
	<p>OK. Everyone OK. Shake it off. Shake it off.</p> <p>We need to find our way out of this place. Look a river. I'm parched. Let's take a drink.</p> <p>Bottles at the ready.</p> <p>Dip them in. What's that log coming towards us. That's not a log.</p>	
	<p>Ahhh it's a crocodile. Panic. Panic. Hide. It's coming.</p> <p>Good spot. Duck down. Shhhh.</p> <p>OK. Plan of action. We're going to head north and keep going then eventually we'll have to get out.</p> <p>We need to get over the river. Quick before the crocodile comes. Over the stepping stones. Step step step.</p>	
	<p>I see a gap in the trees. Let's head for it.</p> <p>That's strange there's a shining light.</p> <p>Owww. Shiny.</p>	

	<p>Look there are lots of strange glowing crystals. Pick one up. Super shiny. Let's fill out pockets.</p>	
	<p>What what what's that?</p> <p>It's a Rhino. It looks angry. It's coming straight for us. I wish I was a monkey right now.</p> <p>Oh. I've become a monkey. It must be the crystals. Quick say it with me. I wish I was a monkey.</p>	
	<p>Haha. You look strange. Do your monkey dance. Oi. No time to Monkey around there's a huge Rhino on its way. Quick. Through the trees. Swing swing swing.</p>	
	<p>Phew a gap. I think we lost it.</p> <p>Oh no. Worse. A sn sn sn snake.</p> <p>Quick. Repeat after me. I want to be a tiger. I want to be a Tiger.</p> <p>Wow how big and strong and ferocious we look. Let's give this snake our biggest roar.....roooooaaaaaar.</p>	
	<p>Wow. This will be easy now. Queens and Kings of the Jungle.</p> <p>Nothing can stop us....apart from that. A herd of angry elephants. They hate Tigers. OK let's think.</p>	
	<p>Right repeat after me I want to be a mouse. Squeak squeak.</p>	

	<p>Haha. Silly Elephants. They've run away but we should probably worry about the angry eagles descending.</p>	
	<p>Ahh hide.</p> <p>What shall we turn into now. Not a Tiger again. Let's try Giants. Who said we had to be animals?</p> <p>Let's say it. I want to be a giant. Wow. It worked. Let's stomp.</p>	
	<p>Stomp. Stomp. Stomp. Stomp. Stomp. Now let's see the animals get us. Hahaha.</p> <p>I know let's turn into anything you want to be. Make sure you shout it out after 3.</p> <p>I want to be a 1 2 3...</p>	
	<p>Wow. Look at you.</p> <p>OK. Last one. Copy me. Repeat after me. I want to be a Pteradactyl...</p>	
	<p>OK. Let's fly all the way home. Weeeee.</p> <p>Right. Say with me. I want to be me...</p>	
	<p>Oh hello you. It's good to actually see you.</p> <p>Now come closer. I think we should put the crystals in our pockets.</p> <p>Is it safe?</p>	

Don't tell anybody. But if you want. Maybe when nobody is looking you can get the crystal out and become whoever you want to be.

Goodbye.
